Dear Mentors & Presenters:

The ARC board has been motioned, voted and approved the following:

ARC approved Breed Presenters and/or Breed Mentors, under the auspices of the American Rottweiler Club Judges Education Program, be required to strictly adhere to the American Rottweiler Club, American Kennel Club, and the approved Rottweiler Breed Standard. The American Rottweiler Club will not approve Breed Presenters and/or Breed Mentors who deviate from the ARC/AKC approved Rottweiler Breed Standard in their Breed presentations and/or mentoring. Further any Breed Presenter/and or Breed Mentor currently on ARC's approved list who do not adhere to the above requirements will subsequently be removed from said lists.

What does that mean to you directly? That the ARC, like the AKC, reminds that your audience is composed primarily of experienced judges. We do not want you to contradict your breed standard with personal preferences. Although you may personally disagree with a statement, the judges must judge by the present standard.

If you have any questions, please do not hesitate to call and ask.
